HENDERSON'S

CITY OF WINNIPEG

DIRECTORY

FOR 1892,

INCLUDING A

COMPLETE CLASSIFIED BUSINESS DIRECTORY

PRICE - \$3.00

PUBLISHED BY

THE HENDERSON DIRECTORY CO.,

WINNIPEG, MAN.

ENTERED According to Act of Parliament of Canada, in the year One Thousand Eight Hundred and Ninety-Two, by The Henderson Directory Co., in the office of the Minister of Agriculture.

PREFACE.

The Publishers have much pleasure in submitting herewith the thirteenth annual edition of their City of Winnipeg Directory. The changing of the street names will cause some confusion for a time. In order to lessen the inconvenience as much as possible, the Street Directory has been re-arranged to the new numbers, shewing the former name as well. A complete street index enables a street to be found either under the new or old name.

Both the old and new names are given in most cases in the alphabetical section. Every effort has been made to secure the Christian names in full, which, we believe, will be of advantage.

All numbers under 200 are East of Main street; numbers 200 to 300 from Main to Princess or Donald; and over 300, west of Princess and Donald. The terms east and west of Main have been done away with. Houses are numbered consecutively from the Red River westwards, and from the Assiniboine River northwards.

Under the new system of street names, Notre Dame west is made Central ave, and the streets and avenues are numbered North and South from it.

Attention is called to our Complete Classified Business Directory. The steady increase of population has largely reduced the number of vacant houses over previous years; in fact, it is difficult to get a house.

The population of the city is increasing rapidly. Our estimate of population for 1892 is 28,500.

Respectfully,

THE HENDERSON DIRECTORY CO.

WINNIPEG, July, 1892.

Resident Director.

LET THE REGORD SPEAK FOR ITSELF.

During the past year the Mutual Life paid to its Policy-Holders and their representatives (widows and orphans) the magnificent sum of \$18,755,711.86, being the largest amount ever distributed in any one year by any Life Insurance Company in the world, and since the Company's formation in 1843 it has disbursed in the same way the enormous sum of \$323,410,859.03, being many millions more than the combined payments made to their Policy-Holders by the two next largest Life Insurance Companies in the world. The mind can scarcely grasp the immensity of this sum—\$323,410,859.03—or realize the great good its distribution has accomplished, in relieving the wants of the needy, in carrying timely assistance and comfort to widows and orphans, and in saving hundreds of thousands from destitution and poverty.

The Best Company is the One that does the Most Good.

THE MUTUAL LIFE'S Cash Dividends and Bonus Additions to its policies far exceed those of any other Company in the world, while its assets exceed by over Twenty Millions of Dollars those of the next largest Company, and One Hundred and Twenty five Millions of Dollars more than the entire assets of all the Canadian Life Insurance Companies. Then why pay your money for unprofitable insurance, or still worse, for policies or certificates in weak Companies or Assessment Societies (that you will probably outlive) when you can secure a profitable life insurance provision for your family, and for yourself freedom from all anxiety as to the safety or certainty of the investment made for their benefit, by insuring your life in the MUTUAL LIFE INSURANCE COMPANY OF NEW YORK, the oldest Life Insurance Company in America, and the largest and best in the world.

Persons intending to insure, and those already Insured, would do well to consider the advantages offered by THE MUTUAL LIFE before insuring or renewing their present policies with other Companies, for

It DOES make a Difference WHERE We Insure.

I have no desire to share in the responsibility involved in any one's wife and children, or other dependents being left without the protection aforded by a policy in the grand old Mutual Life, therefore every person who is not already insured in the Mutual Life Insurance Company of New York is cordially invited to call at the Company's office, Winnipeg, and obtain "a policy of life insurance that insures" in a Company that cannot be squeezed out of existence.

Forms of Application, with full instruction, sent to any address upon application.

T. CHISHOLM LIVINGSTON, Resident Director.

THE MUTUAL LIFE INSURANCE COMPANY OF NEW YORK, WINNIPEG, MANITOBA, CANADA.

J.F. PRUD'HOMME, SECRETARY.
